

# CNS SAMPLE SCHEDULES

## Astronomy, Physics

Calculus  
AST 307 or CH 301  
AST 104 or PHY 110C  
UGS 302 or 303  
Additional Course

## Biochem, Bio, EVS, MLS, and Neuro

BIO 311C  
CH 301  
Calculus  
UGS 302 or 303

## Chemistry

CH 301C  
Calculus  
UGS 302 or 303  
Additional Course

## Computer Science

C S 312  
Calculus  
UGS 302 or 303  
Additional Course

## Human Development and Family Sciences

HDF 304  
CH 301  
SDS 302F  
UGS 302 or 303

## Mathematics

Calculus  
UGS 302 or 303  
Additional Course  
Additional Course

## Nutrition

BIO 311C  
CH 301  
SDS 302F  
UGS 302 or 303

## Public Health

BIO 311C  
CH 301  
Calculus  
UGS 302 or 303

## Textiles and Apparel

TXA 301  
TXA 303  
SDS 302F  
UGS 302 or 303

## General Course Recommendations

Calculus – speak with your advisor!

Core Curriculum Classes – check the CNS recommendations sheet!

Minor or Certificate Classes – check requirements online at <https://bit.ly/2TC6LLh>

Pre-Health Classes – PSY 301, SOC 302, CC 306M (Medical Terminology)

Electives – any course that you're interested in!

You can search the course schedule by field of study, class day/time, and flag!
